 3. Do not play if you are tired or need sleep.
 4. Play in a well-lit room.

- Avoid excessive play. Parents should monitor their children for appropriate play.

CALENDAR/TIME

Each day begins when Hello Kitty wakes up at 8:00 am. At 5:00 pm, the sun sets and it becomes night. Time passes quickly each day so be sure to manage your time wisely. If you want to skip ahead a day or more, you can go to Hello Kitty's Room and use the Calendar or her Bed (see page 13 for more details).

BIRTHDAY BOOK

This is where Hello Kitty keeps all of her important notes! You can open the Birthday Book by touching the Birthday Book icon on the upper right corner of the lower screen or by pressing SELECT. In the Birthday Book, you start on the Calendar page.

Birthday Book

Here Hello Kitty can see all her friends in the game. Tapping on a character's icon or pressing the arrow on the lower right will open up their Character page. Underneath

the character may be a number of icons—only one at a time.

- **Star-A star** indicates you have completed that friend's birthday quest.
- **Birthday Cake-A Birthday Cake** indicates that friend's birthday is today.
- **Birthday Present-A present** means you have the present for this friend.
- **Invite-An invite** means you have been invited to that friend's birthday.

This means that your friend's birthday is coming up within the next month.

Character Pages

The Character pages contain all of the information that Hello Kitty has discovered about each character. This includes the character's birthday, hints about their birthday gift and up to three fun facts about this friend.

Icons

- **Star** = birthday gift given
- **Shooting Star** = birthday gift given and all information found for this friend
- **Cake** = it's this character's birthday
- **Bronze, silver, or gold medal** = level of achievement for this friend's mini-games (Note: a day medal and a night medal are shown for friends as they play different games in the day and at night)
- **Invite** = you have the invite to this friend's party
- **Gift** = you have the gift for the friend

Stamp Page

You can earn stamps and stickers by winning mini-games, helping friends, finding special objects and meeting certain requirements. The stamps and stickers you collect throughout the game will be displayed on the Stamp page. When you touch a stamp or sticker, it shows you how you earned it.

Calendar

The Calendar Page lets you see when all of your friends' birthdays are. The Calendar page will show the current date as well as upcoming birthdays of friends that you have talked to. Tap on a specific date to see the details for that day. You can turn the pages to see upcoming months.

In-Game Menu

Here you can choose to go directly to Hello Kitty's Room no matter where you are on the map. You can also decide to quit the game at any time. Advance the time of day to night or save your game.

GAME PLAY

Character Interaction

To talk to someone, press the A Button when Hello Kitty is next to them.

When Hello Kitty speaks to one of her friends for the first time, they will tell Hello Kitty their birth date. This will be added to Hello Kitty's Birthday Book (Calendar).

Mini-Games

Hello Kitty's friends want to play games and do activities with her! By playing with them or helping them out, Hello Kitty can discover fun facts about her friends including hints on what they would like for their birthday. The rules and controls for each mini-game will be explained before the game begins. Press **START** during a mini-game to pause it. Select **'Back'** to return to the game or **'Quit'** to end the game.

When you get a high score in a mini-game, you can earn a bronze, silver or gold medal. These medals are displayed in each of the Character pages in the Birthday Book. You can also see all of your mini-game high scores in the "Scores" option in the Main Menu.

Birthday Invitation

When a character's birthday is a month or less away, a birthday invitation will arrive in a mailbox outside of Hello Kitty's house if the player has met that friend. Once Hello Kitty gets an invitation from a friend, she can get hints as to what her friend would like for their birthday by playing mini-games with them.

Birthday Gifts

Hello Kitty can get hints for a friend's upcoming birthday gift by playing mini-games. These hints are stored in the Birthday Book.

All of the birthday gifts can be found in stores around Downtown or Main Street. A gift icon will appear in the Birthday Book page once Hello Kitty gets the gift for her friend. This gift gives her access to the birthday party on that character's birthday.

Birthday Parties

If Hello Kitty has a character's birthday gift on the day of their birthday, she can attend the birthday party. These are always held at the Birthday Hall in the Central Square Area. Hello Kitty must have a birthday gift or else she cannot attend the birthday party, so don't forget!

Seasonal Events

Certain events such as holiday festivals and the like will occur on specific days throughout the year. These events will generally not be marked on the game Calendar.

LOCATIONS

Hello Kitty's Room

Inside Hello Kitty's house is her very own room. Here she can use the following items.

Hello Kitty can use her bed at any time to skip ahead to the next day. When Hello Kitty sleeps in her bed, the day will end and she will wake up the next morning.

Forest

Here Hello Kitty can visit My Melody's home, Keroppi at Doughnut Pond, and Deery Lou in Rainbow Forest.

Grassy Hill

This is where Purin and Kuririn live. The Little Twin Stars have their airship parked at the end of the hill. The Treehouse can be found here as well.

Main Street

Chococat and Usahana's homes can be found here, along with Main Street Park, the Book Store, and the General Store.

Downtown

This is where Café Cinnamon, the Clothing Store, the Music Store, the Arcade, and Daniel's home can be found.

HINTS

Mimmy has a lot of helpful information about the game. You can find her around Hello Kitty's house.

Some characters will be in different places depending on what time of day it is.

Remember that everyone's day and night mini-games are different!
